

Circle Motion Crossover Elite

Circle Motion
Offense

The action starts in 5-out. The ball will get passed from the top to wing. 1 will then cut to opposite elbow. 2 (player on wing) will then make a "butt" cut to curl 1. The player in the same corner will make a "sprint" cut to the top of key.

Circle Motion
Offense

If 3 can't hit 2 on the curl to basket, 3 will reverse the ball to 4. 3 will hold his position. 4 will keep the ball moving to pass to 1 on the wing. 4 will then cut to opposite elbow. 3 will then make the "butt" cut and 5 will make the "sprint" cut.

Circle Motion
Offense

The player who doesn't get the ball on the curl cut will space opposite the ball to create "floor balance".
